Community Service Fund Drive Manager Reviews 1950 Campaign At Report Meet

Report of the recent 1950 Campbell Community Service Fund Drive was given by C. P. Klassen, drive manager, at a meeting of the committee in the Campbell Union High School little theater. Total amount collected to date, said Klassen, is \$7,925.16, with \$175 outstanding and about \$130 in pledges. Letters, as reminders to those who pledged, are being mailed this week.

Klassen expressed appreciation for the aid given by the publicity committee headed by George Kemp, as well as by the secretary. "Some of the publicity committee's work was very effective," he continued, "and through these efforts we realized the need of a greater and stronger publicity program before the drive begins."

"The committee has prepared a large number of milk bottle rings to be used on milk bottles as they are delivered to the homes. There are also about 10,000 small cards printed that should be distributed to every home several weeks before the drive begins."

"We need to do all we can to get our residents to give in the district where they live. If they work elsewhere and give there, an education program should be carried on to have such residents divide their contributions."

"I do appreciate the willingness of the workers, especially of the area captains who spared no time nor effort, and believe our district has been well covered. A great many second and third calls have been made, with a good deal of success."

In conclusion he said, "Experience would recommend that my successor be allowed an expense account of \$25 or so, which I believe would be a wise investment. It would be an added inducement to make the many follow-up calls which have netted more than \$20 several times."

Klassen told the committee that the \$11,000 drive, which began in September, brought gratifying results from the businesses in Campbell and surrounding areas within the district. The local businessmen contributed approximately \$2,300, while San Jose firms turned in about \$220.

Results of the house-to-house canvass were as follows:

Moreland, \$91.94; San Tomas, \$427.08; Moorpark, \$729.91; Hamilton and Meridian, \$375.32; County Hospital, \$392.75; Cambrian, \$506.98; two Campbell schools, \$341.25; students from schools (Campbell high school only) \$50.15; Campbell Press \$250; Campbell area, \$2,441.72. School collections of student contributions are still to be received.

Footlighters Turn in Fine Performances For 'Blithe Spirit' Comedy Show

Local theater-goers were treated to a demonstration of ectoplastic manifestations and an hilarious evening's entertainment by the Campbell Footlighters last week. The Campbell thespians presented a two-night run of Noel Coward's comedy with a supernatural twist, "Blithe Spirit". Stage crew members rate a round of hearty applause for their mastery of technical problems resulting in a fine series of weird effects denoting the unseen presence of novelist Charles Condomine's late lamented first wife, Elvira, as well as other supernatural beings.

While inanimate objects whined their way across the stage, doors banged without the aid of a human touch, and Clark was a fine comedienne with the arrival of ghostly spirits, the Footlighter cast enacted a "Topper-plus" tale of difficulties which beset Charles Condomine and his second wife when the jealous spirit of Condomine's first wife arrives to harass them.

Betty Legg played the somewhat vengeful spirit, Elvira, who plagued her husband and his second wife, Thais Ackerman. The latter, unable to see Elvira, endeavors to be understanding but is a constantly bemused woman. Mrs. Ackerman's performance was sustained with innate comedy knack. Her husband, Bert Legg, handled well his role, though his being married to one woman while his late wife made frequent and unpredictable appearances placed him in an unenviable position.

A fine job was done by Alma Fanning as Madame Arcati, the medium, who has an important role in the supernatural proceedings. Rhoda Clark was a fine comedienne

VFW POST SEES SUCCESS IN ITS MEMBER DRIVE

With the 1951 membership drive in full swing, members of Lt. Byron C. Lanphear Post 6305, Veterans of Foreign Wars, are out to win some of the national awards and citations given by national headquarters for the largest increase in membership over 1950. The local post has a fair chance of being in the top group of those taking some of the larger awards, for the reason that the prizes are awarded on a percentage basis, which gives the smaller and newer posts the best chance to be at the top.

With a big share of the 1950 members already paid up for 1951 and a month and a half to go, the membership committee is enthused at the response shown by veterans asking for information on the present campaign.

This evening the local post will have its first annual Christmas party for veterans and their families and friends in the women's clubroom in the library building. An old-fashioned party is planned with group singing, entertainment for young and old, and Santa Claus arriving with a load of gifts of candy and other delicacies. Every effort is being made to make this first party a success, and the first of many to come in future years. Overseas veterans and their families are welcome.

The post's plans for community service are taking shape and from the many suggestions received from members at the last meeting, the post will choose the most worthwhile and announcement will be made through the press. There are also many awards by national headquarters for these efforts.

From the group attending the San Mateo-Santa Clara County Council meeting on December 6 in Palo Alto came the report on the project conducted by the council. Most of the proceeds of this will go towards veteran rehabilitation, and each post in the two counties will share alike.

Moreland District Votes 179 To 4

Voters in the Moreland School District gave a landslide vote of approval Tuesday to plans to expand the school facilities in the face of heavy enrollment increases. The ballot proposal, to accept \$694,816.89 from the state to aid in building classrooms and buying school sites, received a one-sided 179 yes to 4 noes, at the district election.

Mrs. Gussie Baker, school principal, said drawings for completion of the building program at the present Payne Avenue site are almost complete. Barring unexpected difficulties, she added, construction should start by March 1. Architects are Clarke and Stromquist of Palo Alto. This construction will include addition of two kindergartens, six classrooms, a new cafeteria and facilities.

Following completion of this phase of the program, the second step, development of the Quito Park site, will be started as soon as drawings have been completed and contracts have been let. The Quito site will consist of two kindergartens and six classrooms.

Under future expansion are tentative plans for purchase of a third site for an upper grade school. This will be undertaken when there is sufficient need for the school.

Mrs. Baker expressed thanks of trustees and the faculty for the strong support given the state aid measure by the voters.

District Superintendent William C. Henley said the architects will receive orders to proceed immediately with plans for development of existing sites, and the board of trustees will soon negotiate for additional sites.

The school district program to be financed by the state loan, calls for purchase of four more school sites, construction of five new schools, additions to and completion of the present three schools of the district. The district acquired another school site several months ago.

Present school enrollment of 2600 is expected to increase to 5000 by 1954.

Henley emphasized that double sessions will be necessary next year until new buildings at the existing sites have been completed.

An allocation of \$1,663,588 already has been made to the district by the state. This was contingent on approval of yesterday's ballot proposals.

Sport Shorts

By JERRY THOMAS

CAGE CHITCHAT . . . Evidently basketball reigns supreme as the no. 1 sport in and around Campbell. We've reached that world-shattering conclusion upon comparing attendance figures and local reaction between the present Senior cage activity at the local gym and the Campbell Softball League of this past summer.

Campbell sport enthusiasts had at their disposal a few months ago a softball loop that ranked as one of the fastest and strongest in the Peninsula area. Teams that drew capacity crowds elsewhere felt like members of a Lonely Hearts Club when playing locally.

The various games averaged approximately 50 to 100 fans. Often the number of players outnumbered onlookers, but for sure.

Whether it was over-all lack of interest or pre-occupied summer nights that made the ball park as crowded as a morgue at midnight, we cannot say.

But currently the exact opposite attitude prevails.

Capacity crowds have witnessed the first two weeks of the Adult

Basketball league, both A and B divisions.

As in the case of the softball set-up, stellar teams are entered in the league, particularly the A loop. Several of these clubs are also playing in the tough San Jose league.

One of the stronger, if not the strongest, quintets is the McCune five, loaded with former college stars.

Bert Robinson and Junior Morgan of the Campbell high school physical education staff are two of the team's stalwarts. Robinson, cage mentor of the high school harwood clan, cavorted for Walt McPherson's San Jose State Spartans. Robinson captained the college team in 1942-43 and upon his return from service in 1945-46.

Morgan, who assists Robbie with the Buc squad, also played basketball for SJSC, although he spent most of the fall on the gridiron.

From Santa Clara University comes George Stein, speedy forward for McCune. Stein joined the exclusive 20-point club at the Cow Palace, San Francisco, last year while playing for the Broncos.

Another top-notch cager that the McCune team claims is Bobby Wuesthoff, one of the best guards ever to don the Spartan white and gold. During the baseball season, he patrols the outfield for the Modesto Reds of the California Baseball league.

By all means the McCune five does not hold a monopoly on play-

ers that have distinguished themselves in college ball. Busy Bee has Bob Bowles, who likewise made life easier for San Jose State College cage fans.

In its first year of local play, the McCune aggregation has already established itself as one of the top amateur clubs in the San Jose area.

Presently they are undefeated in the City League, sporting four straight wins. They won their only start of the Campbell loop last Thursday.

We'll have brief blurbs about the other teams and their leading players in both leagues as soon as we see them play and talk with the various coaches.

RAIN, RAIN, RAIN . . .

Ten will get you five that the only man in the Santa Clara valley that hopes the rains will cease for a spell (farmers and orchardists excuse the thought) is Junior Morgan, track coach at Campbell high.

Several weeks ago Morgan purchased dirt, clay, and sundry other necessities vital for the improvement of the Buc track.

Just as Morgan and his crew were ready to treat the oval with one of its rare facials, the weather man pulled a fast one.

When the break does come, the track will be resurfaced with a special clay-sand mixture from Half Moon Bay. A special white-pine shavings mixture will be applied to all pits. Morgan said this new cushion will minimize cuts and bruises when high jumpers and pole vaulters descend.

Incidentally, speaking of track, as were were with Morgan this past week, a new sprint star may emerge from next month's cinder practice sessions.

Morgan believes that he has a real dark horse for the dashes in Jack Bray who is currently pacing the basketball team in scoring and all-around play.

Bray high jumped for the Bucs last year, finishing in a tie for first place in the SCVAL meet.

Capitalizing on a pair of very springy limbs for backboard control, Bray has tallied 31 points in two games for Coach Robinson's cage crew this season.

Built on the same lines as Mel Patton, USC world-record holder for the 100-yard dash, the Buc junior should develop into an excellent dashman, particularly on the start, if he responds to the tutelage of Morgan.

Buc Quintet Trounces Menlo High, 52-27 Tuesday, Lose Opener To Willow Glen

Defeated in its cage opener last week, Campbell high came back with a resounding thud Tuesday evening to soundly trim an outclassed Menlo High team, 52 to 27, on the loser's court.

Showing definite improvement and exceptional drive and hustle, the Bucs jumped into the lead in the first minute of play and never were threatened.

Jumping Jack Bray paced the locals to the win as he tanked 19 points, on eight field goals and one free throw.

The 6-1 pivot man displayed an accurate driving lay-in shot that continuously befuddled the Menlo defense.

Coach Bert Robinson used 23 players throughout the contest with his reserves dominating play in the second half after the first-stringers ran up a 32 to 10 half-time score.

Robinson's fast break offense worked like a charm Tuesday night as his charges went in for lay-up after lay-up.

This game with Menlo found the Bucs controlling the backboards and outscrambling their opposition.

The exact opposite prevailed on last Friday as the Bucs visited Willow Glen. Playing their first game of the year as compared to three tilts played by W. G., the locals were one step behind throughout the game, as they suffered a 39 to 27 defeat.

The Campbell men led at halftime, 17 to 14, but game inexperience finally won out as Willow Glen rallied for 11 points in the last quarter while holding the Bucs to only five points.

Bray led the way in this contest also, netting 12 points on six field goals. Forward Tersigni followed with eight points.

Burgstrom, Bowles Set Scoring Pace

A wealth of basketball talent was exhibited last Thursday evening as the "A" league of the senior cage program swung into play at the local gym.

The many fans assembled were treated to a triple-header with each game furnishing its individual stars.

In the hello contest, Rossi's beat Jones' Service, 37 to 21. The game was tied at 17-all at intermission but a final period rush saw the winners tally 15 points while holding the Jones boys to a mere five.

Roger Ervine led the victors with 12 points with guard Pappas high for the losers with eight.

The star-studded McCune quintet trimmed the Los Gatos Merchants after a rather slow start. George Stein, erstwhile Santa Clara flash, caged 15 points while teammate Junior Morgan garnered nine. Led by Bob Bowles and his 21 points, the Busy Bee Cafe stamped

Campbell 30's Drop Cage Thriller, 23-22

A 20-foot set shot in the final ten seconds of play spelled the downfall for the Campbell high 30's basketball five as they lost a heartbreaker to their Menlo counterparts, 23 to 22.

In the preliminary to the varsity tilt Tuesday eve, the locals enjoyed a one point lead with only 55 seconds left. Then Buchabe center Tom Hansen missed two free throws that would have cinched the contest. Ironically enough, Coach Bert Robinson had only praise for Hansen's play.

"He is only a freshman but already he is showing great promise at the pivot post. With a little experience he should go a long way," the cage mentor said.

After Hansen blew his second charity toss, Menlo gained possession of the ball and worked it down court. Using an effective screen, they shook a man loose for that final long net shot.

Despite the loss, Robinson was pleased with the ball handling exhibited by his players, although he did state that they need additional drive to make them more formidable.

High point-getter for the Bucs was Center Harris with eight points.

itself as one of the loop's major threats as they bested a strong Western Gravel club, 51 to 44, in the finale.

But Bill Burgstrom, Gravel forward, copped scoring honors for the night when he totalled 23 points. Both he and Bowles, former San Joaquin State star, netted nine field goals but Burgstrom benefited by two additional charity chucks.

In all, 37 field goals were amassed in this high-geared encounter.

Further indication of the type of ball played in the "A" loop can be found in the competent free throw records compiled by the two teams. Out of 24 fouls called, 21 were made. Western Gravel made good on 12 out of 14, while the Busy Bees hit for 9 out of 10.

Campbell Hardware, Maderis Win In 'B' Cage League

Campbell Hardware definitely established itself as a team to beat in the "B" league of the Senior Basketball program.

With the season only two weeks old, the pots-and-pans crew have registered two convincing wins at the Campbell high school gym.

Tuesday night they took the California Supply into camp by the tune of 35 to 23.

The winner's line-up included many former Buc cage stars of previous years. Center Cantoni, Don Estrada and guard Oldham scored nine, eight, and six points respectively.

Another power to beware loomed up in the form of the Maderis quintet. In the second game of the twin-bill the foodsmen overpowered Sismore's 52 to 28.

Paced by Glenn Wallin's 18 points, the winners were never in any trouble, as the 23 to 15 half-time score indicates.

Gene Campbell was high man for the losers with 15 points.

Grammar School Cops Second Win

Not to be outdone by their older cohorts, the Campbell Grammar school's B team won its second straight encounter Tuesday by trimming Cupertino, 27 to 18, in a Santa Clara Elementary league game.

Coach Neil Royer gave all 33 players a chance to exhibit their wares. Leading the way for the Bees was Eppie Gallego with nine points. Bill Sutterfield and Tony Schaub tallied eight points apiece. Vernon Lunt collected the other

BALLARD, JAMES CLARENCE. BUT A LITTLE MOMENT. 1950.

A novel for nature readers, who will be reminded somewhat of Thomas Wolfe. The book has epic proportions and deals with a lost hero. It is a two generation novel of the south, the chief characters, Adam Allen and his son, Jason. The theme is the old familiar one of a father handing down to his son his own ambitions, and of the son's long struggle to find his own integrity. This is a first novel of undoubted promise and is well worth reading.

JONAS, CARL. SNOWSLIDE. 1950.

For an enjoyable evening's reading, here is a novel that has stimulating narrative and contains a fair amount of suspense. It is set in the mountains of Utah and is centered at a skiing resort where a well-known Hollywood actress is buried in a snowslide. The author is concerned with the effect of this event on her husband, the business woman who owns the resort, a writer, a newspaper man and the skiing instructors, and does his probing from the psychiatric point of view. The characterizations of Stackpole and Eleanor Geiger are skillfully done.

Supervisors OK Mendelsohn Lane

County Supervisors on Monday renamed the entire cutoff portion of old Saratoga-Los Gatos Road Mendelsohn Lane, in honor of the late Dr. Louis Mendelsohn.

Planning Commissioners originally recommended that the road from Horseshoe Drive to Hill Avenue be named for Dr. Mendelsohn, and the balance be called Three Oaks Way, but this created confusion, since there was no actual division between the two sections. Residents of the supervisors accepted the change on motion of Fifth District Supervisor Earl Campbell.

SCHOOL NOTES

CAMPBELL

Campbell School is launching a safety campaign. The purpose of this campaign is to make the students realize how important safety is.

A special assembly was held on Wednesday, December 6, to announce the seventh and eighth grade winners in the safety poster contest. The first place winners were Pat Means and Carolyn Veith, who each received fifty cents. Those who received honorable mention were John Davis, Larrita Hammonds, Wayne Foster, Beverly Strandberg, Ellen Stepovich, Patsy Whitney and Gary Goodness. They each received twenty-five cents.

In each classroom there is a pennant. This pennant is removed if anyone receives an injury.

If this campaign is a success, there will be fewer accidents on the playground and in the halls.

MOORPARK

For the past several weeks, our third grade at Moorpark School has been studying good health. Our teacher, Miss Coons, gave eight of us a prize. We have been learning about good food for good health. We made a menu for a good breakfast. We cut out pictures of good food from magazines at home. We brought them to school and pasted them on posters. We also have a 'Better Breakfast Club.' We have a chart, our own books, and club pins.

Mrs. Anna B. Lee Succumbs After Long Illness

Mrs. Anna Bertina Lee, wife of Mr. Louis L. Lee, 58 S. Third St., Campbell, died Tuesday in a San Jose hospital after an illness of seven years. Mrs. Lee, who came to this country from her native Oslo, Norway, at the age of three months, was 76 years old at the time of her death.

PHONE LINE FOR EL QUITO AREA

Completion of a \$10,000 line construction project in El Quito Park section of the Campbell exchange was announced today by N. A. Kulish, Pacific Telephone manager.

The new lines will make possible connection of telephones for approximately 100 new subscribers in the area within the next few weeks. Kulish said that enlargement of switching facilities in the Campbell central office now under way, which will cost an additional \$31,000, will permit connection of more telephones to the new lines during the middle of 1951.

Construction work on the lines, which utilized 1,600,000 conductor feet of wire in aerial cable, required approximately 1,600 man hours to complete, according to Kulish.

Angelo Mancuso Injured In Crash On Bayshore

Angelo G. Mancuso, 29, of 730 Fawcett Drive, Campbell, suffered two broken legs recently when his car was involved in a five-way accident on Bayshore Highway at Redwood City.

According to the California Highway Patrolmen who investigated, Mancuso's car was hit by a truck which skidded across the highway to avoid hitting another car. Two other cars and a truck piled up when the drivers tried to avoid hitting the Mancuso car.

Mancuso, a carpenter, was taken to Sequoia Hospital where his condition was described as serious. He was the only person injured in the pile-up.

It's oilskin time again...and telephone repairmen all over the West are ready to keep your calls moving.

THEY ROLL OUT WHEN STORMS ROLL IN

How we prepare today to protect your service tomorrow

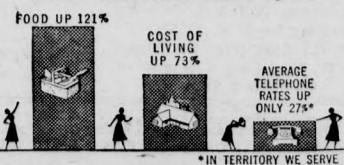

1. Old Man Winter can be mighty tough on telephone lines...with floods in the cities and valleys and snow piled high in the Sierra and the Cascades. We can't tell where trouble may strike next. So we're always ready to pull trained crews from non-emergency jobs and send them on their way in special trucks and other equipment—like this "snowcat"—to repair any break, wherever it happens.

2. Helicopters have been used sometimes to patrol snowbound lines and speed crews to a repair job. But even before they get there, calls have been re-routed to get your message through with as little delay as possible. For modern communications demands teamwork among all telephone people...people who know theirs are important jobs, particularly in these critical days for our nation.
